

## The War Related Illness and Injury Study Center

The War Related Illness and Injury Study Center (WRIISC, pronounced “risk”) is a specialty center which serves as a national resource to deliver high quality care for veterans with post deployment health concerns. We strive to advance knowledge of ways to care for veterans to improve their quality of life.

We provide  
**post deployment** health services  
that address the needs of  
**veterans** and their **families**.

NJ WRIISC is located in East Orange, New Jersey, conveniently located near New York City, Philadelphia, and several major airports.

# Exposure Clinic

The War Related Illness and Injury Study Center (WRIISC) at the East Orange Campus of the VA New Jersey Health Care System has a specialty clinic devoted to addressing veterans' deployment and service related exposure concerns.

## *Veterans, do you have questions about:*

- Anthrax Vaccine?
- Depleted Uranium?
- Multiple immunizations?
- Preventative medications?
- Nerve agents or their antidotes?
- Sandstorms?
- Air pollution from burning trash?
- Soot from oil well fires?
- Jet Fuel, Solvents, Paints, Heavy Metals, etc.?
- The impact of exposures on family members?

## **We can help you address your concerns!**

You can request a consultation to discuss your concerns with one of our physicians who specializes in environmental medicine. We will document your visit in your VA computerized medical record along with any follow-up recommendations made.

*If you live too far to travel to the NJ WRIISC, you can have a consultation over the phone. You do not need a referral from your PCP but should be registered with your local VA hospital.*

Call the WRIISC at **1-800-248-8005** for an appointment or if you have any questions. As experts in *post-deployment health*, we are here to help you gain a better understanding of your health!
